

Calculus BC 2017 Spring Break Extra Credit Assignment

Assignment Due: Monday (April 10, 2017)

Instructions:

- 1) Take the full practice AP exam and **show all work required to complete each problem** on a separate sheet. (Do not erase mistakes on your work. Instead, cross out mistakes with pen/pencil)
- 2) Grade your exam using the scoring guide
- 3) Make corrections to your work (USING DIFFERENT COLOR INK)
 - a. Full solutions on my BC Homepage mryangteacher.weebly.com/calculus-bc.html under Spring Break BC Extra Credit Solutions
 - b. Show through your work that you understand what you missed
 - c. State reason(s) you missed the problem
 - d. Write down any questions you still may have after spending time working through the problem and solution.
- 4) Write a paragraph stating which concepts you would like to work on and questions you still have leading up to the final exam/AP exam.
- 5) You will earn **1 point** added to your final spring semester grade for sufficient work shown and corrections made.
- 6) Your Work shown is proof of the time you put into this assignment. (3+ hours to take exam and 1+ hours to check solutions and make corrections)
- 7) If in your work you are just copying the solutions, that is not sufficient work.
- 8) No sufficient work = no credit!!
- 9) Assignment due Monday (4/10) first day back from Spring Break.
- 10) You will turn in your work, the paragraph sheet, and scoring sheet.
- 11) No Late assignment will be accepted!
