

## i-Ready Instructions

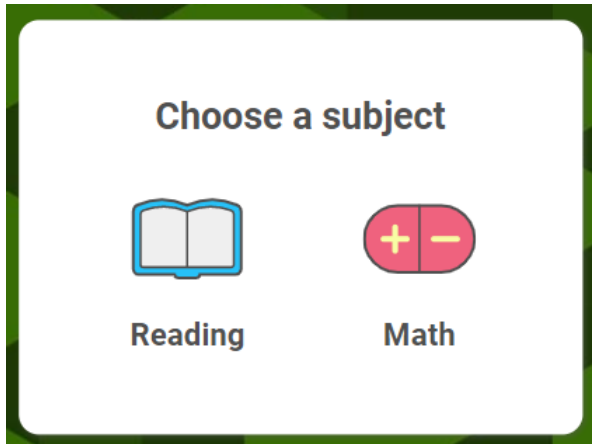

Today we will complete the i-Ready diagnostic test. You will have the entire period to work and can finish for homework if you need more time. This diagnostic test is designed to identify gaps in material that you might have missed. Please try your best!! The program will flag anyone who appears to rush through the test. If you do poorly, you will likely have to retake the assessment to monitor your growth in understanding throughout the year. **This is not an optional assignment!!**

- Go to: <https://launchpad.classlink.com/fcs>
