

2024 Mini-Mathletes Tournament for 4th and 5th Grade at Milton High School

Saturday, April 13, 2024 – 9:30 AM to 2:30PM

Tournament Details:

The purpose of Mini-Mathletes is to encourage students' interest in mathematics at a young age (4th and 5th grade), so they will be more eager to join advanced classes in middle school and Mu Alpha Theta in high school. This allows young students to experience a competitive math environment. Ultimately, we hope those who attend will leave the contest with a heightened appreciation for math.

If you have any questions, please email Mr. Yang (yangd@fultonschools.org)
