

## **Non-AP Calculus Week 4 and Remaining Rest of School Year Spring 2020**

1. Weekly assignments due Fridays (**Starting with week 4: 7.1 Notes/WS Due Friday 4/17**)
2. Students are turn in completed assignments through their Google Drive Folder (\*I'm having trouble sending to your school email address, please send me your gmail address through Remind)
3. **Steps to Completing Assignments Weeks 4-6**
  - a) Watch the Lesson Videos while filling out notes worksheet
  - b) Complete rest of assignments showing full work
  - c) Check your work with the solutions Key and make corrections in red if applicable.
  - d) Submit the Notes/Classwork WS to Google Drive folder as pdfs or jpegs in assignment subfolder (create subfolders for each week)
4. If you haven't yet responded to my Remind message after looking over assignments/due dates, **Please Respond!** I want to make sure you all are clear on the required assignments, expectations, and procedures for submitting assignments through Google Drive.
5. Extra Credit Assignments are due by end of school year. Grades will be in the Summative & Formative Assessments Category and may help improve student grades
6. Weeks #1-3 assignments are **due Friday April 24, 2020**
7. Rest of Semester Guidelines From Principal Jones:
  - **Seniors:** last day is May 1 if they have completed all graduation requirements. (\*I will still update your grade if you submit extra credit after May 1)
  - **Grades:** March 12 grade will stand as our baseline grade for second semester.
  - **Teleschool:** grades after March 12 can **only improve** a student's grade.
  - **Students must remain engaged in the teleschool learning or will receive an "Incomplete" as a final grade at the end of the semester.**
8. Weekly Lessons/Help Sessions will be **Tuesdays @ 1pm over Zoom.**
9. Look over Rest of year Calculus Calendar
