

Mu Alpha Theta National Math Honors Society

October 6th, 2022

Meet the Officers!

- Swara: President
- Brooke: Vice President
- Trisha: Secretary
- Navya: Treasurer

Goals for This Year

- Increasing membership and reaching out – tell your friends!
- Increasing number of students who want to be tutored
- Putting together fun math events – all about community service!

Requirements for Club Hours

- Members must obtain **6 hours** of tutoring service this semester
 - **2 hours** may be individual math volunteering opportunities or math related opportunities provided at meetings; the rest must be tutoring as designated by officers
 - If required hours for 1st semester are not completed, any remaining hours will be carried over to 2nd semester
 - Seniors get chords for hour completion
 - Second semester will be largely focused on **Mini-Mathletes** in combination with tutoring

Next Steps →

Mu Alpha Theta Member Check-In:

MATHCOUNTS Minis

- Choose a MATHCOUNTS Mini video from [this playlist](#)
- **Write down and solve the problems** that were discussed in the video, as well as a short statement about the most interesting thing you learned
- Email us a picture or PDF of your work
- Videos less than 10 minutes long receive **½ point**, while longer videos receive **1 point**
- Receive an extra half point if you present a problem at a Mu Alpha Theta meeting
- **Maximum of 2 points** for this opportunity

Essay Contest

- Write an essay about your favorite mathematician
- Must be typed 1-2 pages, Times New Roman, double spaced, and size 12 
- Participants will get 1 point
 - Winner will get 1.5 points
