

Week of Monday 9/21- 9/25 Face-to-Face (F2F)

Classroom Procedures (...work in progress)

Hi everyone!

I look forward to seeing you in person starting Monday 9/21!

Just wanted to communicate a couple of things as we transition to F2F back to the classroom this upcoming week: (I may be updating this page as I receive questions from you and address them individually or through this document)

- 1) When you enter class, please pick out a seat and write your name in the seating chart. This will be your seat for the foreseeable future
- 2) Please bring your own materials (your own paper, pen/pencil, calculator, etc)
- 3) Please print out the class notes beforehand to bring to school (if you plan on using your device to take notes, then that's fine!). I will not be able to print out class notes for you since our paper supply is minimal. If you forget your handout, then just follow along and use a separate sheet of paper to either take notes or work out practice problems.
- 4) I will be projecting the class notes and my work off of the document camera through the classroom projector for the F2F students. So F2F students will be asked to NOT join the Teams Video call (due to Bandwidth support limitations). However, F2F students can still be on the class Teams page and participate in the class meeting chat, just not the video call.
- 5) Please wear your face masks (correctly) at all times in the classroom. Admin will be called into the classroom to address any students choosing not to follow procedures.
- 6) Bathroom pass out of the classroom will be 1 student at a time
- 7) New Bell Schedule starting this upcoming week (9/21)
